TRUST CERTIFICATES AND ISSUANCE THEREOF

At the same time the Company shall, if necessary, deposit with the Trustee any advance rental payable by the Company to the Trustee under Section 5.04(A)(1).

Thereupon, without waiting for the recording or filing of this Agreement or of any other instrument respecting the Trust Equipment, the Trustee shall issue and deliver, as the Company shall direct by Request, Trust Certificates in the aggregate principal amount so sold.

The aggregate principal amount of Trust Certificates which shall be executed and delivered by the Trustee hereunder shall not exceed the sum of \$30,000,000 except for Trust Certificates authenticated and delivered in lieu of other Trust Certificates pursuant to Sections 2.05, 2.06, 2.07 and 3.02.

SECTION 2.02. *Trust Certificates.* The Trust Certificates shall be designated as "Equipment Trust Certificates due April 1, 1994 (Series 1)". Each of the Trust Certificates shall represent an interest in the amount therein specified in the trust created hereunder.

The Trust Certificates shall be payable and bear interest as specified in the form thereof hereinbefore set forth and shall mature on the date therein specified.

The Trust Certificates shall be in denominations of \$1,000 and any integral multiple thereof and shall be fully registered as to both principal and interest in the name of the holder.

The principal of and interest on the Trust Certificates shall be payable at the place provided in the Trust Certificates in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. SECTION 2.05. *Temporary Trust Certificates.* Temporary printed Trust Certificates in such form and denominations as the Company may determine with the approval of the Trustee may be issued by the Trustee and executed and delivered by the Trustee and shall be exchangeable, without charge to the holder thereof, upon surrender thereof to the Trustee for definitive Trust Certificates when the same shall have been prepared. Until such exchange said temporary Trust Certificates shall be entitled to the same benefit of this Agreement in all respects as said definitive Trust Certificates.

SECTION 2.06. *Transfer and Exchange; Record Date.* (a) The Trustee shall cause to be kept at the Corporate Trust Office books for the registration of transfer of the Trust Certificates.

The transfer of each Trust Certificate shall be registrable by the registered holder thereof in person or by duly authorized attorney on the books of the Trustee upon surrender to the Trustee at its Corporate Trust Office of such Trust Certificate accompanied by a written instrument of transfer, duly executed by the registered holder in person or by such attorney, in form satisfactory to the Trustee. Thereupon the Trustee will execute and deliver to the transferee thereof in exchange therefor, without expense to the transferor or transferee except as provided in the last paragraph of this Section 2.06(a), a new fully registered Trust Certificate or Certificates for the same principal amount as the unpaid principal amount of the Trust Certificate so surrendered, and the Company shall endorse its guaranty on such new Trust Certificate or Certificates.

The holder of one or more Trust Certificates may surrender the same for exchange at said Corporate Trust Office of the Trustee and shall be entitled to receive in exchange therefor, without expense to the holder except

as provided in the last paragraph of this Section 2.06(a), a like aggregate principal amount of fully registered Trust Certificates of other authorized denominations, and the Company shall endorse its guaranty on such new Trust Certificates.

Anything herein to the contrary notwithstanding but subject to the provisions of Section 2.06(c) as to payment of interest to holders on a Record Date (as therein defined) for such payment, the parties hereto may deem and treat the registered holder of any Trust Certificate as the absolute owner of such Trust Certificate for all purposes and shall not be affected by any notice to the contrary.

For any such transfer or exchange the Trustee shall require the payment of a sum sufficient to cover the amount of any stamp tax or other governmental charge connected therewith.

(b) The Trustee shall not be required (i) to issue, register the transfer of or exchange any Trust Certificate during a period beginning at the opening of business fifteen business days before any selection of Trust Certificates to be redeemed and ending at the close of business on the day of the mailing of the relevant notice of redemption, or (ii) to register the transfer of or exchange any Trust Certificate called or being called for redemption in whole or in part, except in the case of any Trust Certificate to be redeemed in part, the portion thereof not to be so redeemed.

(c) The holder of any Trust Certificate on any Record Date (as hereinbelow defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such Trust Certificate upon any exchange or transfer thereof subsequent to the Record Date and prior to such interest payment date, except if and to the extent that the Company shall default in the payment of rentals with respect to the interest due on such interest payment date, in which case such defaulted interest shall be paid to the person in whose name such Trust Certificate (or any Trust Certificate or Certificates issued upon transfer or exchange thereof) is registered at the close of business on a Record Date established by the Company on not less than ten days' notice mailed to all holders of Trust Certificates. The term "Record Date" as used in this Section with respect to any interest payment date shall mean the close of business on the fifteenth day of the month next

preceding such interest payment date, or, if such fifteenth day is not a business day, the business day next preceding such fifteenth day, or, with respect to the payment of defaulted interest, the close of business on the date established by the Company as hereinabove provided.

SECTION 2.07. *Replacement of Mutilated, Defaced, Lost, Destroyed or Stolen Trust Certificates.* In case any Trust Certificate shall become mutilated or defaced or be lost, destroyed or stolen, then on the terms herein set forth, and not otherwise, the Trustee shall execute and deliver a new Trust Certificate of like tenor and date, and bearing such identifying number or designation as the Trustee may determine, in exchange and substitution for, and upon cancellation of, the mutilated or defaced Trust Certificate, or in lieu of and in substitution for the same if lost, destroyed or stolen. The Company shall endorse its guaranty on any Trust Certificates so delivered. The applicant for a new Trust Certificate shall furnish to the Trustee and to the Company evidence to their satisfaction of the loss, destruction or theft of such Trust Certificate alleged to have been lost, destroyed or stolen and of the ownership and authenticity of such mutilated, defaced, lost, destroyed or stolen Trust Certificate, and also shall furnish such security or indemnity as may be required by the Trustee and by the Company in their discretion, and shall pay all expenses and charges of such substitution or exchange. All Trust Certificates are held and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, destroyed or stolen Trust Certificates and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

Every new Trust Certificate issued pursuant to this Section in lieu of any destroyed, lost or stolen Trust Certificate shall constitute an original additional contractual obligation under the terms of this Agreement, whether or not the destroyed, lost or stolen Trust Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits under this Agreement equally and proportionately with any and all of the other Trust Certificates duly issued hereunder.

REDEMPTION OF TRUST CERTIFICATES

SECTION 3.01. *Right of Redemption and Redemption Price.* (a) The Trust Certificates are subject to redemption in part, through the application of the rental payable to the Trustee pursuant to Section 5.04(B)(4), on each Sinking Fund Redemption Date, at 100% of the principal amount thereof, together with accrued and unpaid interest to the Sinking Fund Redemption Date.

(b) The Trust Certificates are also subject to redemption in part, through the application of the rental payable to the Trustee pursuant to Section 5.04(B)(5), on each Sinking Fund Redemption Date, in a principal amount not to exceed \$3,000,000, such option to be non-cumulative, at 100% of the principal amount thereof, together with accrued and unpaid interest to the Sinking Fund Redemption Date.

(c) The Trust Certificates are also subject to redemption at the option of the Company, as a whole at any time, or in part, in principal amounts of not less than \$1,000,000 from time to time, through the application of the rental payable to the Trustee pursuant to Section 5.04(B)(6), at the redemption price then applicable thereto as specified in the form of Trust Certificate hereinbefore set forth, together with accrued and unpaid interest to the date fixed for redemption; *provided, however*, that no such redemption at the option of the Company may be carried out prior to April 1, 1984, directly or indirectly from the proceeds of, or in anticipation of, the issuance of indebtedness for borrowed money having an interest cost, computed in accordance with generally accepted financial practice, of less than 11.45% per annum.

SECTION 3.02. *Procedure for Mandatory Redemption of Trust Certificates.* On or before the 30th day next preceding each Sinking Fund Redemption Date, the Trustee shall select for redemption, in such manner as in its discretion it shall deem appropriate and fair, a principal amount of Trust Certificates so as to exhaust the amount of rental to be paid by the Company to it in cash pursuant to Section 5.04(B)(4) on the next succeeding Sinking Fund Redemption Date; *provided* that Trust Certificates may be redeemed in part only in integral multiples of \$1,000. In the event the Company elects to reduce its cash rental payment pursuant to Section

5.04(B)(4) by application of Trust Certificates to such rental, it shall comply with all the requirements of Section 5.04 relating thereto.

In any case where several Trust Certificates are registered in the same name, the Trustee in its discretion may allocate the total principal amount of such Trust Certificates so registered to be redeemed to any one or more Trust Certificates registered in such name. In any prorating, the Trustee in its discretion shall make such adjustments as it shall determine to be appropriate and fair in order that the principal amounts so prorated shall be \$1,000 or integral multiples thereof. In any such selection the unit for redemption purposes shall, so far as practicable, be \$1,000 in principal amount.

Any holder of Trust Certificates (hereinafter in this Section 3.02 called an Eligible Holder) in whose name is registered an aggregate principal amount of Trust Certificates at least equal to \$100,000, by written notice mailed to the Trustee by certified mail to the address set forth in Section 13.06 at least 60 days prior to a Sinking Fund Redemption Date, may direct the Trustee to select for redemption on each Sinking Fund Redemption Date thereafter occurring a principal amount of Trust Certificates registered in the name of such holder having an aggregate redemption price which bears the same proportion to the aggregate redemption price of all the Trust Certificates to be called for redemption on such Sinking Fund Redemption Date pursuant to Sections 3.01(a) and (b) as (a) the aggregate principal amount of Trust Certificates registered in the name of such holder on a date selected by the Trustee not more than ten days prior to the selection by the Trustee of Trust Certificates for redemption on such Sinking Fund Redemption Date pursuant to Sections 3.01(a) and (b) bears to (b) the aggregate principal amount of Trust Certificates outstanding on such date. In such event (i) the principal amount of Trust Certificates to be selected by the Trustee, as provided in this Section 3.02 and in Section 3.03, shall be appropriately reduced and (ii) there shall not be included in the selection made in respect of such Sinking Fund Redemption Date any Trust Certificates registered in the name of any Eligible Holder whose Trust Certificates are selected for redemption as hereinabove provided. Any notice given by any Eligible Holder as provided in the first sentence of this paragraph shall remain in effect unless and until revoked by written notice mailed to the Trustee by certified mail to the address set forth in Section 13.06 by such Eligible Holder to the Trustee at least 60 days prior to the date

in respect of which such revocation is expressed to be applicable or he shall no longer be an Eligible Holder. In any selection of Trust Certificates for redemption pursuant to this paragraph, the Trustee shall, according to such method as it shall deem to be proper, make such adjustments, by increasing or decreasing by not more than \$1,000 the principal amount of Trust Certificates of each holder selected pursuant to this paragraph, as may be necessary to the end that the principal amount of Trust Certificates of such holder selected for redemption shall be \$1,000 or an integral multiple thereof.

The Trustee shall mail by first class mail a notice of redemption at least 30 days prior to each Sinking Fund Redemption Date to the holders of the Trust Certificates to be redeemed in whole or in part on such date, at their last addresses as they shall appear upon the registry books, but failure to give or receive such notice by mail, or any defect therein, shall not affect the validity of any proceedings for the redemption of any other Trust Certificate.

The notice of redemption shall specify the date for redemption and shall state that the principal amount of the Trust Certificates or portions thereof to be redeemed (together with all accrued and unpaid interest thereon) will become due and payable at the Corporate Trust Office on the date specified in such notice, that payment will be made at said place upon presentation and surrender of such Trust Certificates, that accrued interest to the date fixed for redemption will be paid as specified in said notice, and that from and after said date interest thereon or on the portions thereof to be redeemed will cease to accrue. The notice of redemption shall also state the aggregate principal amount of Trust Certificates to be redeemed and the serial numbers thereof; and in case there shall have been selected as aforesaid less than the entire principal amount of any Trust Certificate, the notice shall specify the serial number of such Trust Certificate, and shall state that upon surrender of such Trust Certificate the holder will receive (a) without charge a new Trust Certificate or Certificates for the principal amount thereof to remain unredeemed and (b) on or after the Sinking Fund Redemption Date the principal amount thereof called for redemption (together with all accrued and unpaid interest thereon). The serial numbers of any Trust Certificates to be redeemed, required to be included in any such notice, may be stated in any one or more of the following ways: individually; in groups from one number to another number, both inclusive; in groups from one number to another number, both inclusive, excepting from such

groups such Trust Certificates as shall have been previously called for redemption or otherwise retired; or in such other manner as the Trustee shall deem appropriate.

SECTION 3.03. *Procedure for Optional Redemption of Trust Certificates.* The procedure for the optional redemption of Trust Certificates shall be as follows:

(1) In case the Company shall desire (i) to redeem Trust Certificates pursuant to Section 3.01(b), it shall deliver, at least 60 days prior to the applicable Sinking Fund Redemption Date, an Officers' Certificate to the Trustee giving notice of the exercise of such right of redemption and specifying the aggregate principal amount of Trust Certificates to be redeemed and the date fixed for redemption, or (ii) to redeem Trust Certificates pursuant to Section 3.01(c), it shall deliver an Officers' Certificate to the Trustee giving notice of the exercise of such right of redemption and specifying the aggregate principal amount of Trust Certificates to be redeemed and the date fixed for redemption (which date shall be at least 60 days after delivery of such Officers' Certificate). In the event the Company elects to reduce its cash rental payment pursuant to Section 5.04(B)(5) by application of Trust Certificates to such rental, it shall comply with all the requirements of Section 5.04 relating thereto.

(2) Selection (if less than all the outstanding Trust Certificates are to be redeemed) of the particular Trust Certificates (or portions thereof, but only in integral multiples of \$1,000) to be redeemed shall be made, and notice of redemption shall be given, in like manner as specified in Section 3.02.

SECTION 3.04. *Payment of Trust Certificates Called for Redemption.* If notice of redemption has been given as above provided, and the Company before the redemption date specified in the notice of redemption has deposited with the Trustee an amount in cash sufficient to redeem all the Trust Certificates or portions thereof called for redemption, including accrued interest, and premium, if any, the Trust Certificates or portions thereof called for redemption shall become due and payable on such redemption date at the Corporate Trust Office, and from and after such redemption date interest on such Trust Certificates or portions thereof shall cease to accrue and such Trust Certificates or portions shall no longer be

deemed to be outstanding hereunder and shall cease to be entitled to the benefit of this Agreement except to receive payment from the moneys reserved therefor in the hands of the Trustee. The Trustee shall hold the redemption moneys in trust for the holders of the Trust Certificates or portions thereof called for redemption, and it or its agent shall pay the same to such holders respectively upon presentation and surrender of such Trust Certificates.

Except as provided in the second sentence of the last paragraph of Section 3.02, all Trust Certificates redeemed and paid under this Article Three shall be canceled by the Trustee or its agent and no Trust Certificates shall be issued hereunder in place thereof.

Upon Request, the Trustee shall deliver to the Company canceled Trust Certificates held by the Trustee or, if so directed by the Company, may destroy such Trust Certificates and deliver to the Company a certificate of the Trustee attesting to such destruction.

(a) a certificate of the agent or agents designated by the Trustee to receive delivery of the Trust Equipment, stating that the Trust Equipment described and specified therein by number or numbers has been delivered to such agent or agents (the date of such certificate to be conclusively presumed as the date of such delivery);

(b) an Officers' Certificate which shall state (i) that such Trust Equipment is Equipment as herein defined and whether or not such Trust Equipment is or is not Non-Affiliated Trust Equipment, (ii) that the Cost and Depreciated Cost of such Trust Equipment either are amounts therein specified or are not less than amounts therein specified, (iii) the date each unit of such Trust Equipment was first put into use or that such unit was first put into use not earlier than a specified date, (iv) whether such Trust Equipment has, within six months prior to the date of its acquisition by the Company or an Affiliate of the Company, been used or operated by a person or persons other than the Company or an

which it has been or is to be used or operated by the Company or an Affiliate of the Company and the fair value to the Company of such Trust Equipment exceeds the greater of (i) \$25,000 or (ii) 1% of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate referred to in subparagraph (c) above shall be signed by an Independent Engineer.

Any Officers' Certificate delivered pursuant to this Section 4.04 may state that the Cost and Depreciated Cost of the Trust Equipment therein referred to are tentatively determined, subject to final adjustment to be evidenced in a final Officers' Certificate to be delivered to the Trustee.

If the aggregate final Depreciated Cost or fair value to the Company, whichever is less, as specified in a final Officers' Certificate delivered to the Trustee pursuant to this Section 4.04, of the Trust Equipment delivered to the Trustee or its agent or agents pursuant to this Article Four (exclusive of Trust Equipment delivered to the Trustee pursuant to Section 4.06) shall be less than 125% of the aggregate principal amount of Trust Certificates issued pursuant to Section 2.01, the Company will cause to be sold, assigned and transferred to the Trustee additional Equipment in such amount and of such Cost that the aggregate final Depreciated Cost or fair value to the Company, whichever is less, of the Trust Equipment will be at least 125% of the aggregate principal amount of said Trust Certificates, and will concurrently deliver to the Trustee the documents specified in subparagraphs (a) through (e) of this Section 4.04.

SECTION 4.05. *Application of Remaining Deposited Cash.* Any Deposited Cash remaining in the hands of the Trustee after the delivery of all the Trust Equipment to be delivered pursuant to Sections 4.01 and 4.04 and payment therefor in the manner provided herein shall be applied by the Trustee as a credit toward the rental payments provided for in Section 5.04(B)(4) in the order of maturity thereof and, to the extent of such credit, such rental payable by the Company to the Trustee pursuant to Section 5.04(B)(4) shall be correspondingly reduced.

SECTION 4.06. *Additional Trust Equipment.* The Company covenants and agrees, on or before April 1 in each year, commencing April 1, 1980 and continuing to and including April 1, 1984, to sell, assign and transfer to the Trustee additional Equipment or to pay to the Trustee cash, or both, such that the sum of (a) the fair value to the Company of such Equipment so

sold, transferred and assigned plus (b) the amount of cash so paid is not less than an amount equal to 3.75000% of the aggregate principal amount of Trust Certificates outstanding on April 1, 1980, 3.86250% of the aggregate principal amount of Trust Certificates outstanding on April 1, 1981, 3.97838% of the aggregate principal amount of Trust Certificates outstanding on April 1, 1982, 4.09773% of the aggregate principal amount of Trust Certificates outstanding on April 1, 1983 and 4.22066% of the aggregate principal amount of Trust Certificates outstanding on April 1, 1984. At the time of delivery of any Equipment pursuant to this Section 4.06, the Company shall deliver to the Trustee the following papers:

(1) an Engineer's Certificate stating the fair value to the Company of such additional units of Equipment as of such date and that such additional units have an expected useful life extending beyond the fixed date on which all Trust Certificates shall mature;

(2) an Officers' Certificate stating (a) the original Cost of each unit of the additional Equipment and the date it was first put into use by the Company or an Affiliate of the Company (or that such unit was first put into use not earlier than a specified date), (b) that each such unit to be assigned and transferred to the Trustee is Equipment as herein defined, (c) whether such additional Equipment has, within six months prior to the date of its acquisition by the Company or an Affiliate of the Company, been used or operated by a person or persons other than the Company or an Affiliate of the Company in a business similar to that in which it has been or is to be used or operated by the Company or an Affiliate of the Company and (d) that, in the opinion of the signers, all conditions precedent provided for in this Agreement, relating to such addition, have been complied with; and

(3) a certificate, a bill or bills of sale and an Opinion of Counsel in respect of such additional Equipment corresponding to those provided for in subparagraphs (a), (d) and (e) of the first paragraph of Section 4.04.

If any Equipment to be conveyed to the Trustee pursuant to this Section 4.06 has, within six months prior to the date of its acquisition by the Company or an Affiliate of the Company, been used or operated by a person or persons other than the Company or an Affiliate of the Company in a business similar to that in which it has been or is to be used or operated by the Company or

an Affiliate of the Company and the fair value to the Company of such Equipment exceeds the greater of (i) \$25,000 or (ii) 1% of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate referred to in subparagraph (1) above shall be signed by an Independent Engineer. For all purposes of this Section 4.06, where fair value is not required to be determined by an Independent Engineer, fair value shall be determined in the manner provided in subparagraph (ii) of the fifth paragraph of Section 5.06. Any cash deposited with the Trustee pursuant to this Section 4.06 shall be held and applied as provided in the fourth paragraph of Section 5.06.

ARTICLE FIVE

LEASE OF TRUST EQUIPMENT TO THE COMPANY

SECTION 5.01. *Lease of Trust Equipment.* The Trustee does hereby let and lease to the Company, for the term of fifteen years from and after April 1, 1979, all of the Trust Equipment.

SECTION 5.02. *Equipment Automatically Subjected.* As and when any Equipment shall from time to time be delivered hereunder to the Trustee or its agent or agents, the same shall, *ipso facto* and without further instrument of lease or transfer, pass under and become subject to all the terms and provisions hereof.

SECTION 5.03. *Equipment Subject Hereto.* When the Company shall, as provided in Section 4.01, 4.04, 4.06 or 5.06, cause to be transferred to the Trustee Equipment, such Equipment shall be included as part of the Trust Equipment by supplement hereto to be executed by the Trustee and the Company and to be filed with the Interstate Commerce Commission pursuant to the requirements of Section 11303 of the Interstate Commerce Act. Such Equipment shall be subject to all the terms and conditions hereof in all respects as though it had been herein specifically described.

SECTION 5.04. *Rental Payments.* The Company hereby accepts the lease of all the Trust Equipment, and covenants and agrees to accept delivery and possession hereunder of the Trust Equipment; and the Company covenants and agrees to pay to the Trustee at its Corporate Trust Office (or, in the case of taxes, to the proper taxing authority), in such coin or currency of the United States of America as at the time of payment shall

be legal tender for the payment of public and private debts, rent hereunder which shall be sufficient to pay and discharge the following items, when and as the same become due and payable (whether or not any of such items shall become due and payable prior to the delivery and lease to the Company of any of the Trust Equipment):

(A) Advance rental as follows (the intention being that, when all Trust Equipment (other than Trust Equipment subjected hereto pursuant to Section 5.06, Section 4.06 or the last paragraph of Section 4.04) shall have been delivered to the Trustee or its agent or agents, the Company shall have paid or shall pay to the Trustee, as advance rental hereunder, or shall have borne the cost of, a sum equal to the amount by which the aggregate Cost of such Trust Equipment exceeds the net proceeds (including premium and accrued interest, if any) of the sale of the Trust Certificates):

(1) at the time of issue of Trust Certificates pursuant to Section 2.01, a sum which, when added to such net proceeds of the sale of the Trust Certificates deposited with the Trustee, will make the total sum deposited equal to the principal amount of the Trust Certificates so issued; and

(2) upon delivery of any Non-Affiliated Trust Equipment, a sum equal to the portion of the Cost of such delivered Non-Affiliated Trust Equipment in excess of 80% of the Depreciated Cost of such Non-Affiliated Trust Equipment, as specified in the Officers' Certificate furnished to the Trustee pursuant to Section 4.04(b), less the amounts previously paid to the manufacturer or owner thereof with respect to such portion of the Cost, which are also specified in such Officers' Certificate.

(B) In addition to such advance rental, as rental for the Trust Equipment (notwithstanding that any of the Trust Certificates shall have been acquired by the Company or shall not have been presented for payment), the following:

(1) from time to time upon demand of the Trustee (a) the necessary and reasonable expenses of the trust hereby created, including compensation and expenses provided for herein, and (b) an amount equal to any expenses incurred or loss of principal (including interest accrued thereupon at time of purchase) in

connection with any purchase, sale or redemption by the Trustee of Investment Securities;

(2) from time to time upon demand of the Trustee any and all taxes, assessments and governmental charges upon or on account of the income or property of the trust, or upon or on account of this Agreement, which the Trustee as such may be required to pay;

(3) the amounts of the interest payable on the Trust Certificates, when and as the same shall become payable, and interest at the Overdue Rate from the due date, upon the amount of any instalments of rental payable under this subparagraph (3) and the following subparagraphs (4), (5), (6) and (7) which shall not be paid when due, to the extent legally enforceable;

(4) as a sinking fund for the Trust Certificates, before each Sinking Fund Redemption Date, an amount in cash sufficient to redeem \$3,000,000 aggregate principal amount of Trust Certificates;

(5) as a sinking fund for the Trust Certificates at the option of the Company pursuant to Section 3.01(b), before each Sinking Fund Redemption Date, such additional amount in cash as shall be sufficient to redeem such aggregate principal amount of Trust Certificates as may be permitted to the Company under the provisions of Section 3.01(b) and as shall have been specified in the Officers' Certificate to be delivered by the Company to the Trustee pursuant to Section 3.03(1)(i);

(6) at the option of the Company pursuant to Section 3.01(c) before the redemption date specified in the Officers' Certificate to be delivered by the Company to the Trustee pursuant to Section 3.03(1)(ii) such additional amount in cash as shall be sufficient to redeem such aggregate principal amount of Trust Certificates as may be permitted to the Company under the provisions of Section 3.01(c) and shall have been specified in such Officers' Certificate; and

(7) the principal of the Trust Certificates (other than those called for redemption pursuant to Section 3.01) upon the maturity thereof, whether by declaration or otherwise.

Notwithstanding the provisions of subparagraphs (4) and (5) above, the Company may, at its option, in lieu of making all or part of any rental payment provided for in said subparagraphs (4) and (5) in cash, credit, pursuant to a Request delivered on or before 60 days preceding the Sinking Fund Redemption Date on which such rental payment is due, against such rental payment, any Trust Certificates specified in such Request (not theretofore credited) retired otherwise than as provided in Section 3.01. The Company shall, at least 45 days prior to such Sinking Fund Redemption Date, deliver to the Trustee for cancellation (if not theretofore delivered to the Trustee) all such Trust Certificates. The amount of the rental payment in anticipation of which the Company specifies in such Request that any Trust Certificate is to be credited shall be reduced by an amount equal to the principal amount of such Trust Certificates in respect of which such credit is taken.

Nothing herein or in the Trust Certificates contained shall be deemed to impose on the Trustee or on the Company any obligation to pay to the holder of any Trust Certificate any tax, assessment or governmental charge required by any present or future law of the United States of America, or of any state, county, municipality or other taxing authority thereof, to be paid in behalf of, or withheld from the amount payable to, the holder of any Trust Certificate.

The Company shall not be required to pay any tax, assessment or governmental charge so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof, provided that the rights or interests of the Trustee or of the holders of the Trust Certificates will not be materially endangered thereby and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

SECTION 5.05. *Termination of Lease.* At the termination of the lease provided herein and after all payments due or to become due from the Company hereunder shall have been completed and fully made to the Trustee (a) such payments shall be applied and treated as purchase money and as the full purchase price of the Trust Equipment, (b) any moneys remaining in the hands of the Trustee after providing for payment in full of all outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (c) title to all the Trust Equipment shall vest in the Company and (d)

the Trustee shall execute for record in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the title of the Company or any transferee named by it to all the Trust Equipment under the laws of any jurisdiction; *provided, however*, that (except as otherwise provided herein) until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all the Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery of the Trust Equipment to and the possession and use thereof by the Company.

SECTION 5.06. *Substitution and Replacement of Equipment.* Upon Request, the Trustee shall, at any time and from time to time, execute and deliver a bill of sale assigning and transferring to the transferee named by the Company all the right, title and interest of the Trustee in and to any or all of the Trust Equipment; *provided, however*, that none of the Trust Equipment shall be so assigned or transferred (except as provided in Sections 5.05 and 5.08) unless simultaneously (a) there shall be conveyed to the Trustee other Equipment of a fair value to the Company not less than the fair value, as of the date of such Request, of the Trust Equipment so assigned or transferred by the Trustee or (b) there shall be paid to the Trustee cash in an amount not less than the fair value, as of said date, of the Trust Equipment so assigned or transferred by the Trustee.

At the time of delivery of any Request pursuant to the first paragraph of this Section 5.06, the Company shall, if other Equipment is to be conveyed to the Trustee in substitution for the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee the following papers:

(1) an Engineer's Certificate stating (a) the fair value, as of the date of said Request, of the Trust Equipment so to be assigned or transferred by the Trustee and (b) the fair value to the Company of such substituted units of Equipment as of such date and that such substituted units have an expected useful life extending beyond the fixed date on which all Trust Certificates shall mature;

(2) an Officers' Certificate stating (a) the date each unit of Trust Equipment so to be assigned or transferred by the Trustee was first put into use by the Company or an Affiliate of the Company (or that such

unit was first put into use by the Company or an Affiliate of the Company not later than a specified date), (b) the original Cost of each unit of the Equipment so to be substituted and the date it was first put into use by the Company or an Affiliate of the Company (or that such unit was first put into use not earlier than a specified date), (c) that each such unit so to be substituted is Equipment as herein defined, (d) whether such Equipment to be substituted has, within six months prior to the date of its acquisition by the Company or an Affiliate of the Company, been used or operated by a person or persons other than the Company or an Affiliate of the Company in a business similar to that in which it has been or is to be used or operated by the Company or an Affiliate of the Company, (e) that such assignment or transfer will not impair the security under this Agreement in contravention of the provisions hereof, (f) that no Event of Default has occurred and is continuing and (g) that, in the opinion of the signers, all conditions precedent provided for in this Agreement, relating to such substitution, have been complied with; and

(3) a certificate, a bill or bills of sale and an Opinion of Counsel in respect of such substituted Equipment corresponding to those provided for in subparagraphs (a), (d) and (e) of the first paragraph of Section 4.04.

If the fair value of the Trust Equipment to be assigned or transferred by the Trustee, together with all other property so assigned or transferred since the commencement of the then current calendar year, as set forth in the certificate or certificates required by this Section 5.06, is 10% or more of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate referred to in subparagraph (1) above shall be signed by an Independent Engineer unless the fair value of the Trust Equipment to be assigned or transferred, as set forth in such certificate, is less than \$25,000 or less than 1% of the aggregate principal amount of Trust Certificates at the time outstanding. If any Equipment to be conveyed to the Trustee pursuant to this Section 5.06 has, within six months prior to the date of its acquisition by the Company or an Affiliate of the Company, been used or operated by a person or persons other than the Company or an Affiliate of the Company in a business similar to that in which it has been or is to be used or operated by the Company or an Affiliate of the Company and the fair value to the Company of such Equipment exceeds the greater of (i) \$25,000 or (ii) 1%

of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate referred to in subparagraph (1) above shall be signed by an Independent Engineer.

At the time of delivery of any Request pursuant to the first paragraph of this Section 5.06, the Company shall, if cash is to be paid to the Trustee in respect of the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee papers corresponding to those set forth in the second paragraph of this Section 5.06 in so far as they relate to the action requested.

Any cash deposited with the Trustee pursuant to this Section 5.06 or pursuant to Section 4.06 or Section 5.08 shall, from time to time, be paid over by the Trustee to the Company upon Request, against conveyance to the Trustee of Equipment having a fair value to the Company, as of the date of said Request, not less than the amount of cash so paid, and upon compliance by the Company with all of the provisions of the second paragraph of this Section 5.06 in so far as they relate to the action requested.

For all purposes of this Section 5.06, where fair value is not required to be determined by an Independent Engineer, fair value shall be determined as follows (and the manner of such determination shall be set forth in each Engineer's Certificate furnished in respect thereof, including a statement of actual fair value or fair value to the Company, as the case may be, without reference to the provisions of subdivisions (b) of subparagraphs (i) and (ii) of this paragraph):

(i) The fair value of any unit of Trust Equipment assigned or transferred by the Trustee as provided in this Section 5.06 shall be deemed to be the greater of (a) the actual fair value thereof or (b) the Cost thereof as theretofore certified to the Trustee less 3% of such Cost of such unit for each full period of one year elapsed between the date such unit was first put into use as certified to the Trustee and the date as of which fair value is to be determined.

(ii) The fair value to the Company of any unit of Equipment conveyed to the Trustee as provided in this Section 5.06 shall be deemed to be the lesser of (a) the actual fair value thereof or (b) the Cost of such unit, if new, or, in case of any Unit of Equipment not new, (i) the depreciated book value thereof on the books of the owner thereof, as of the date of the transfer thereof to the Trustee, or (ii) the

Cost thereof, less 3% of such Cost of such unit for each full period of one year elapsed between the date such unit was first put into use by the Company or an Affiliate of the Company and the date of the transfer thereof to the Trustee or (iii) the value thereof, as of said last mentioned date, as determined in accordance with the Code of Rules Governing the Condition of and Repairs to Freight and Passenger Cars for the Interchange of Traffic, Adopted by the Association of American Railroads, Operations and Maintenance Department, Mechanical Division, as in effect at the time in question (or, if there is no such Code then in effect, generally accepted accounting principles), whichever shall be less.

For all purposes of this Section 5.06, where fair value is required to be determined by an Independent Engineer such fair value shall be determined without requiring reference to the provisions of subparagraphs (i) and (ii) of the next preceding paragraph.

SECTION 5.07. *Marking of Trust Equipment.* The Company agrees that, as soon as practicable after the delivery to the Trustee pursuant to this Agreement of each unit of the Trust Equipment, there shall be plainly, distinctly, permanently and conspicuously placed and fastened upon each side of such unit a metal plate bearing the following words, or such words shall be otherwise plainly, distinctly, permanently and conspicuously marked on each side of such unit, in either case in letters not less than seven-sixteenths of one inch in height:

TITLE TO THIS CAR IS VESTED IN A TRUSTEE UNDER AN EQUIPMENT
TRUST AGREEMENT RECORDED UNDER SECTION 11303 OF THE INTER-
STATE COMMERCE ACT.

Such plates or marks shall be such as to be readily visible and as to indicate plainly the Trustee's ownership of each unit of the Trust Equipment.

In case, prior to the termination of the lease provided for herein, any of such plates or marks shall at any time be removed, defaced or destroyed, the Company shall forthwith cause the same to be restored or replaced. The Company shall not change or permit to be changed the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall

have been filed with the Trustee by the Company and which shall be filed and recorded in like manner as this Agreement. The Trust Equipment may be marked or lettered "Emons Industries, Inc.", or in some other appropriate manner for convenience of identification of the leasehold interest of the Company therein, and may also be marked or lettered, in case of a sublease of any equipment made pursuant to Section 5.09 hereof, in such manner as may be appropriate for convenience of identification of the subleasehold interest therein; but the Company, during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

SECTION 5.08. *Maintenance of Trust Equipment; Purchase; Deposit of Cash; Alterations.* The Company agrees that it will maintain and keep or cause to be maintained and kept all the Trust Equipment in good order and proper repair and in compliance with applicable law and regulations at its own cost and expense, unless and until it becomes worn out, unsuitable for use, stolen, lost or destroyed (any such event being hereinafter called a Casualty Occurrence). Whenever any of the Trust Equipment shall suffer a Casualty Occurrence, the Company shall, within 20 days after the calendar quarter in which it shall have been informed of such Casualty Occurrence, deliver to the Trustee an Engineer's Certificate describing such Trust Equipment and stating the fair value thereof as of the date such Trust Equipment suffered such Casualty Occurrence. When the total fair value of all of the Trust Equipment having suffered a Casualty Occurrence (exclusive of Trust Equipment having suffered a Casualty Occurrence in respect of which payment shall have been made to the Trustee pursuant to this Section 5.08) shall exceed the lesser of \$300,000 or 1% of the principal amount of Trust Certificates then outstanding (or such lesser amount as the Company may elect), the Company shall, within 30 days of its having been informed of such event, deliver to the Trustee an Engineer's Certificate describing such Trust Equipment and stating the fair value thereof as of the respective dates of such Casualty Occurrences and deposit with the Trustee an amount in cash equal to such total fair value. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of such Casualty Occurrence. Cash deposited with the Trustee pursuant to this Section 5.08 shall be held and applied as provided in the

fourth paragraph of Section 5.06. For all purposes of this paragraph, fair value shall mean the value thereof immediately prior to such Casualty Occurrence and shall be determined in the manner provided in subparagraph (i) of the fifth paragraph of Section 5.06, and the term "unsuitable for use" shall include any condition in which Trust Equipment is no longer usable for the purpose or purposes for which the same was designed (or an alternate purpose or alternate purposes provided that no material impairment in value shall arise therefrom) whether by virtue of its physical condition or of the effect of any applicable law, rule, regulation or order.

For the purpose of enabling the Company to meet the transportation requirements of present and future sublessees, the Company may from time to time make, or cause to be made, changes and alterations in the design, structure and equipment of any of the cars constituting a part of the Trust Equipment, all at the expense of the Company; *provided, however*, no material impairment in value shall result therefrom.

Upon the deposit of cash with the Trustee pursuant to this Section 5.08, the Trustee shall execute and deliver a bill of sale assigning and transferring to the transferee named by the Company all the right, title and interest of the Trustee in and to the Trust Equipment which has suffered a Casualty Occurrence and in respect of which such deposit is made.

The Company covenants and agrees to furnish to the Trustee, whenever requested by the Trustee, and at least once, on or before April 1 in every calendar year commencing in 1981 and during the continuance of the lease provided for herein, an Officers' Certificate, dated as of the preceding December 31, stating (a) the amount, description and numbers of all Trust Equipment that has suffered a Casualty Occurrence since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), and (b) that in the case of all the Trust Equipment repainted or repaired since the date of the last preceding statement (or the date of this Agreement in the case of the first statement) the plates or marks required by Section 5.07 have been preserved, or that such Trust Equipment when repainted or repaired has been again plated or marked as required thereby. The Trustee, by its agents, shall have the right once in each calendar year, but shall be under no duty, to inspect the Trust Equipment at the then existing locations thereof.

SECTION 5.09. *Possession of Trust Equipment; Sublease.* Except as provided in this Section 5.09 and Section 5.11, the Company will not assign or transfer its rights hereunder (except to an Affiliate of the Company incorporated in any state of the United States of America whose rights are subordinate to the interests of the Trustee herein, and which Affiliate agrees in a writing delivered to the Trustee to take such Trust Equipment subject to the terms hereof and to neither assign nor transfer its rights under such assignment except to sublessees as permitted to the Company hereunder or to the Company or an Affiliate of the Company which similarly agrees in writing; and provided that no such assignment shall relieve the Company of its obligations hereunder), or transfer or sublet the Trust Equipment or any part thereof, without the prior written consent of the Trustee; and the Company shall not, without such written consent, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment. An assignment or transfer to a corporation which shall acquire all or substantially all of the property of the Company (whether by merger, consolidation or otherwise) and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates shall not be deemed a breach of this covenant. The appointment of a receiver or receivers in equity or reorganization or a trustee or trustees in bankruptcy or reorganization for the Company or for its property shall not be deemed an unauthorized assignment if, prior to any action by the Trustee to exercise the remedies herein provided, such receiver or receivers or trustee or trustees shall be discharged or such receiver or receivers or trustee or trustees shall, pursuant to court order or decree, in writing duly assume and agree to pay or perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates, in such manner that such obligations shall have the same status as obligations incurred by such receiver or receivers or trustee or trustees.

So long as no Event of Default has occurred and is continuing, the Company and any of its Affiliates shall be entitled to the possession and use of the Trust Equipment in accordance with the terms hereof, and the Company may also in the future (a) furnish the Trust Equipment or any part thereof to railroads for use upon their lines or lines operated by them or over which they have trackage rights and upon connecting and other carriers

in the usual interchange of traffic; (b) place the Trust Equipment or any part thereof in assigned service with shippers or railroads; (c) furnish the Trust Equipment or any part thereof or to entities other than railroad companies for use in their business, or (d) sublet to others all or any part of the Trust Equipment, but only, pursuant to the Waterloo Leases or upon and subject to all the terms and conditions of this Agreement, and to all rights of the Trustee hereunder.

Except as otherwise provided in the Waterloo Leases, any sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled (subject to the rights of the Trustee upon the happening of an Event of Default) to the possession of the Trust Equipment included in such sublease and the use thereof, and, subject to the provisions of Section 5.07, may provide for lettering or marking upon such Equipment for convenience of identification of the leasehold interest of such sublessee therein. Except as otherwise provided in the Waterloo Leases, each sublease shall expressly subject the rights of the sublessee under such sublease to the rights of the Trustee in respect of the Trust Equipment covered by such sublease in the event of the happening of an Event of Default. The Company shall deliver to the Trustee a copy of all subleases and any amendments thereto promptly after their execution.

The Trustee shall have the right to declare the lease provided for herein terminated in case of any unauthorized assignment or transfer of the Company's rights hereunder or in case of any unauthorized transfer or sublease of any of the Trust Equipment. The election of the Trustee to terminate the lease provided for herein shall have the same effect as the retaking of the Trust Equipment by the Trustee as hereinafter provided.

SECTION 5.10. *Company's Indemnity.* (a) The Company hereby agrees, to assume liability for, and does hereby agree to indemnify, protect, defend, save and keep harmless from and after the date hereof, the Trustee and its successors, assigns, agents and servants, from and against, any and all liabilities, obligations, losses, damages, penalties, taxes, claims, actions, suits, costs or expenses (including reasonable legal and investigatory fees and expenses) of whatsoever kind and nature which may be imposed on, incurred by or asserted at any time against, the Trustee in any way relating to or arising out of this Agreement, or any other instrument, notice, resolution, authorization, request, consent, order, certificate, report, opinion,

bond or other paper referred to herein or given in connection with the transactions contemplated herein or in any way relating to or arising out of the administration of the trust estate or any action or inaction of the Trustee, except only that the Company shall not be required to indemnify the Trustee in the case of liabilities, obligations, losses, damages, penalties, taxes, claims, actions, suits, costs or expenses caused by the wilful misconduct, or the negligent action or inaction of the Trustee not protected by Section 9.02 of this Agreement.

(b) The Company covenants and agrees to comply in all respects with the laws of the United States of America and of all the states and other jurisdictions in which the Trust Equipment, or any thereof, may be operated, and with all lawful acts, rules, regulations and orders of any commissions, boards and other legislative, executive, administrative or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment, including without limitation all lawful acts, rules, regulations and orders of any body having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances, or resistance to pressure; *provided, however*, that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner; *provided* that it will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have provided the Trustee with an Opinion of Counsel to such effect. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof.

SECTION 5.11. *Assignment of Rentals.* The Company has entered into the Waterloo Leases to which the Trust Equipment is or may be subject. The Company hereby transfers and assigns to the Trustee, for the equal and proportionate benefit of the holders from time to time of the Trust Certificates, all of its right, title and interest as lessor in, to, under or in respect of, and grants a charge on and security interest in, all rents, proceeds and other moneys now due and payable or hereafter to become due and payable in respect of Trust Equipment under the Waterloo Leases and under each and every existing and future guarantee of all or any of the obligations of the lessee under any Waterloo Lease including (without limitation) all claims for damages arising out of any breach of any Waterloo Lease or

guarantee, together with the full power and authority, in the name of the Trustee and the Company, or either of them, or otherwise to demand, sue for, enforce, collect, receive and receipt for any and all of the foregoing (the Company hereby irrevocably constitutes and appoints the Trustee the attorney-in-fact of the Company for such purposes). Any instrument made, executed and delivered by the Trustee on behalf of the Company shall be binding upon the Company and all persons claiming by, through or under the Company, with the same effect as if the Company had itself made, executed and delivered the same.

The Company hereby irrevocably directs all persons now or at any time obligated under the Waterloo Leases to pay to the Trustee or its agent, at its corporate trust office, all payments due and to become due and all other sums assigned pursuant to this Section 5.11.

Any and all rights of the Trustee under this Section 5.11 may be exercised pursuant to or as contemplated by the provisions of this Agreement and the Waterloo Leases. The assignment provided for in this Section 5.11 shall be effective immediately and is not conditioned upon the occurrence of an Event of Default or any other event or contingency.

The foregoing assignment shall be subject to the following additional provisions:

(a) The Trustee hereby appoints the Company as its agent, and the Company hereby accepts such appointment, to collect and receive all payments due and to become due under the Waterloo Leases in respect of Trust Equipment, provided, that if an Event or Default shall occur and be continuing, the Trustee may terminate such agency and such agency shall terminate immediately upon notice of such termination from the Trustee to the Company and provided further, that prior to receipt of such notice, the Company may make such use of any moneys received pursuant to its agency hereunder as it would otherwise be entitled to except for the assignment under this Section 5.11. Under the terms of such agency the Trustee shall not be responsible in any way for any default or misconduct or negligence of the officers or agents of the Company.

(b) Any action, suit or proceeding brought by the Trustee following such termination of such agency pursuant to any of the terms hereof

or otherwise, and any claim made by the Trustee hereunder, may be compromised, withdrawn or otherwise dealt with by the Trustee without any notice to or approval of the Company.

(c) The Trustee shall not be obligated to take any steps necessary to preserve any rights in any Waterloo Lease against prior parties who may be liable in connection therewith and it is expressly agreed that, anything herein contained to the contrary notwithstanding, the Company shall remain liable under the Waterloo Leases to perform all of the obligations assumed or to be assumed by it thereunder and the Trustee shall have no obligation or liability under any Waterloo Lease by reason of or arising out of this assignment, nor shall the Trustee be required or obligated in any manner to perform or fulfill any obligation of the Company under or pursuant to any Waterloo Lease, or to make any payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any other action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled hereunder at any time or times, and the Company shall and does hereby agree to indemnify and hold the Trustee harmless of and from any and all liability, loss or damage which it may or might incur with respect to or arising under any Waterloo Lease or this assignment.

(d) The Company at its expense shall cause any document confirmatory of this assignment or such other instrument as may be designated by applicable law, to be recorded, registered and filed in such manner and in such places, and will pay all such recording, registration, filing or other taxes, fees and other charges, and will comply with all such statutes and regulations, as may be required for proper protection of the security interest under this assignment, and of the rights of the Trustee, its successors and assigns and the holders of the Trust Certificates.

(e) The Company promptly after the execution hereof, shall give notice in writing in form satisfactory to the Trustee to the lessee under the Waterloo Leases of the existence of this assignment which notice shall direct such lessee, upon receipt of notice from the Trustee, to pay to the Trustee all rentals now or in the future due or owing in respect of Trust Equipment under any Waterloo Lease. Such notice shall be sent by certified mail, return receipt requested, and such receipt shall be

directed to the Trustee. The Company shall use reasonable efforts to obtain as promptly as possible acknowledgements, in form satisfactory to the Trustee, of the receipt of such notice with respect to the Waterloo Leases; and the Company will promptly deliver all such acknowledgements to the Trustee.

(f) The Company shall agree to no amendment, modification or waiver of any Waterloo Lease which shall increase the number of cars constituting Trust Equipment subject thereto or change the subordination or similar provisions (including those for quiet enjoyment) in any manner adverse to the Trustee or the holders of Trust Certificates.

ARTICLE SIX

REMEDIES IN EVENT OF DEFAULT

SECTION 6.01. *Events of Default.* The Company covenants and agrees that in case

(a) the Company shall default in the payment of any part of the rental payable hereunder (including advance rental) for more than 30 days after the same shall have become due and payable, or

(b) the Company or any Affiliate of the Company to which any of the rights of the Company hereunder shall have been assigned in conformity with the provisions of this Agreement shall make or suffer any unauthorized assignment or transfer of its rights hereunder or under such assignment or shall make any unauthorized transfer or sublease of any of the Trust Equipment, or, except as herein authorized, shall part with the possession of any of the Trust Equipment, and shall fail or refuse either to cause such assignment or transfer or sublease to be canceled by agreement of all parties having any interest therein and recover possession of such Trust Equipment within 30 days after the Trustee shall have demanded of the Company in writing such cancellation and recovery of possession, or within said 30 days to deposit with the Trustee a sum in cash equal to the Cost, or, in the case of Trust Equipment conveyed to the Trustee pursuant to Section 5.06 hereof, the fair value (as of the date of conveyance), of the Trust Equipment so assigned or transferred or subleased or the possession of which shall

have been parted with otherwise than as herein authorized, as certified to the Trustee pursuant to Section 4.04, Section 4.06 or Section 5.06 (any sum so deposited to be returned to the Company upon the cancellation of such assignment, transfer or sublease and the recovery of possession by the Company of such Trust Equipment), or

(c) the Company shall, for more than 60 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants hereof on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance, or

(d) an event of default shall occur under any lease, agreement, equipment trust agreement or indenture under which the Company is an obligor and the Trustee is also acting as trustee thereunder (the term "event of default" being used in this subparagraph (d) to mean any event which, after any applicable notice and/or period of grace provided for in the instrument in question, permits the trustee thereunder to declare the principal amount of the obligation issued or secured thereby to become immediately due and payable), or

(e) the lease provided for herein shall be terminated by operation of law or pursuant to the last paragraph of Section 5.09, or

(f) an event of default as defined in any mortgage, agreement or other instrument (other than one referred to in subparagraph (d) above), under which there may be issued, or by which there may be secured or evidenced, any indebtedness of the Company or any Subsidiary, whether such indebtedness now exists or shall hereafter be created, shall happen, shall be known to the Trustee and shall result in such indebtedness becoming or being declared due and payable prior to the date on which it would otherwise be due and payable, and such acceleration shall not have been rescinded or annulled pursuant to the terms of such instrument; *provided, however*, that, subject to the provision of Section 9.01, the Trustee shall not be charged with knowledge of any event of default outlined in this subparagraph (f), unless a Responsible Officer of the Trustee, in the course of its administration of corporate trusts, shall have actual knowledge of such event of default, or unless written notice of such event of default shall have been given to the Trustee by the Company, by any holder of a

Trust Certificate, by the holder or an obligor of or the trustee then acting under any such mortgage, agreement or other instrument, then, in any such case (herein sometimes called an Event of Default), the Trustee, by notice in writing to the Company, or the holders of not less than 25% in principal amount of the then outstanding Trust Certificates by notice in writing to the Company and the Trustee, may declare to be due and payable forthwith the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of interest accruing after the date of such declaration or rentals payable pursuant to Section 5.04(B)(4), (B)(5) or (B)(6) after the date of such declaration) payable by the Company as set forth in Section 5.04 and not theretofore paid. Thereupon the entire amount of such rentals shall forthwith become and shall be due and payable immediately without further demand, together with interest at the Overdue Rate, to the extent legally enforceable, on any portion thereof overdue.

In addition, in case one or more Events of Default shall happen, the Trustee, by notice in writing to the Company, or the holders of not less than 25% in principal amount of the then outstanding Trust Certificates, by notice in writing to the Company and the Trustee, may declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

In case the Company shall fail to pay any instalment of rental payable pursuant to Section 5.04(B)(3), (B)(4), (B)(5), (B)(6) or (B)(7) when and as the same shall have become due and payable hereunder, and such default shall have continued for a period of 30 days, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the rentals so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company or other obligor upon the Trust Certificates and collect in the manner provided by law out of the property of the Company or other obligor upon the Trust Certificates wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings in bankruptcy or for the reorganization of the Company or any other obligor upon the Trust Certificates under the Bankruptcy Act or any other applicable law, or in case a receiver or trustee shall have been appointed for all or any substantial part

of the property of the Company or such other obligor, or in case of any other judicial proceedings relative to the Company or such other obligor, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the rental payments hereunder or the principal of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section 6.01, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of interest accruing after the date of such declaration or rentals payable pursuant to Section 5.04(B)(4), (B)(5) or (B)(6) after the date of such claim or claims) and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith.

All rights of action and to assert claims under this Agreement or under any of the Trust Certificates may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof in any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the holders of the Trust Certificates. In any proceedings brought

by the Trustee (and also any proceedings involving the interpretation of any provision of this Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

SECTION 6.02. *Remedies.* In case of the happening of any Event of Default, the Trustee may by its agents enter upon the premises of the Company and of any Affiliate of the Company or of any sublessee where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from said premises, retaining all payments which up to that time may have been made on account of rental for the Trust Equipment and otherwise, and shall be entitled to collect, receive and retain all unpaid *per diem*, mileage or other charges of any kind earned by the Trust Equipment or any part thereof, and may lease the Trust Equipment or any part thereof, or with or without retaking possession thereof (but only after declaring due and payable the entire amount of rentals payable by the Company as provided in Section 6.01 hereof) may sell the same or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, in so far as may be necessary to perform and fulfill the trust hereunder, at public or private sale, for cash or upon credit, in its discretion and may proceed otherwise to enforce its rights and the rights of the holders of interests hereunder in the manner herein provided; *provided, however*, the rights of the Trustee shall be subject to the rights of the lessee of Trust Equipment which is subject to the Waterloo Leases to the extent such rights are not effectively subordinated to the rights of the Trustee hereunder. Upon any such sale, the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine, but so that the Company may and shall have a reasonable opportunity to bid at any such sale. Upon such taking possession or withdrawal or lease or sale of the Trust Equipment, the Company shall cease to have any rights or remedies in respect of the Trust Equipment hereunder, but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company to the extent permitted by applicable law, and

to the extent permitted by applicable law no payments theretofore made by the Company for the rent or use of the Trust Equipment or any of it shall, in case of the happening of any Event of Default and such taking possession, withdrawal, lease or sale by the Trustee, give to the Company any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust Equipment against the Trustee or the holders of interests hereunder. No such taking possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, and the Company shall be and remain liable for the same until such sums shall have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of all the items mentioned in Section 5.04 (other than interest not then accrued or rentals payable pursuant to Section 5.04(B)(4), (B)(5) or (B)(6) due after the date of the declaration referred to in Section 6.01), whether or not they shall have then matured.

SECTION 6.03. *Application of Proceeds.* If, in case of the happening of any Event of Default, the Trustee shall exercise any of the powers conferred upon it by Sections 6.01 and 6.02, all payments made by the Company to the Trustee hereunder after such Event of Default, and the proceeds of any judgment collected from the Company by the Trustee hereunder, and the proceeds of every sale or lease by the Trustee hereunder of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates), shall be applied by the Trustee to the payment, in the following order of priority, (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement and (b) of the interest then due, with interest on overdue interest at the Overdue Rate, to the extent legally enforceable, and of the principal of all the outstanding Trust Certificates, with interest thereon at the Overdue Rate, to the extent legally enforceable, from the last preceding interest payment date, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then *pro rata* without preference between principal and interest.

After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to

the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

SECTION 6.04. *Waivers of Default.* Prior to the declaration of the acceleration of the maturity of the rentals and of the maturity of all the Trust Certificates as provided in Section 6.01, the holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding may on behalf of the holders of all the Trust Certificates waive any past Event of Default and its consequences, except an Event of Default in the payment of any instalment of rental payable pursuant to Section 5.04(B)(3), (B)(4), (B)(5), (B)(6) or (B)(7), but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as in Section 6.01 provided, but before April 1, 1994, all arrears of rent (with interest at the Overdue Rate upon any overdue instalments, to the extent legally enforceable), the expenses and reasonable compensation of the Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder (other than the principal of Trust Certificates, and any other rental instalments, which shall not at the time have matured according to their terms) shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default in the observance or performance of any covenant or condition hereof shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested by the holders of a majority in aggregate principal amount of the Trust Certificates then outstanding according to their terms, shall by written notice to the Company and the Trustee waive the default by reason of which there shall have been such declaration or declarations and the consequences of such

default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 6.05. *Obligations of Company Not Affected by Remedies.* Neither any retaking of possession of the Trust Equipment by the Trustee, nor any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or the obligations of the Company under the guaranty endorsed on the Trust Certificates. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and waives notice of presentation and demand and of any default in the payment of the principal of and interest on the Trust Certificates.

SECTION 6.06. *Company to Deliver Trust Equipment to Trustee.* In case the Trustee shall rightfully demand possession of any of the Trust Equipment, the Company will, at its own expense, forthwith and in the usual manner and at usual speed, cause such Trust Equipment to be drawn to such point or points as shall reasonably be designated by the Trustee and will there deliver or cause to be delivered the same to the Trustee; or, at the option of the Trustee, the Trustee may keep such Trust Equipment, at the expense of the Company, on any lines of railroad or premises approved by the Trustee until the Trustee shall have leased, sold or otherwise disposed of the same. The performance of the foregoing covenant is of the essence of this Agreement and upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

SECTION 6.07. *Trustee to Give Notice of Default, but May Withhold Under Certain Circumstances.* The Trustee shall give to the holders of the Trust Certificates in the manner and to the extent provided in Section 8.04(c) with respect to reports pursuant to Section 8.04(a), notice of each default hereunder known to the Trustee within 90 days after the occurrence thereof, unless such default shall have been remedied or cured before the giving of such notice; *provided* that, except in the case of default in the payment of any part of the rental payable hereunder pursuant to Section 5.04(B)(3), (B)(4), (B)(5), (B)(6) or (B)(7), the Trustee shall be

protected in withholding such notice if and so long as the board of directors or trustees, the executive committee, or a trust committee of directors or trustees and/or Responsible Officers in good faith determine that the withholding of such notice is in the interests of the holders of the Trust Certificates. The term "default" as used in this Section 6.07 shall mean the happening of any event defined as an Event of Default in Section 6.01, except that, for the purposes of this Section 6.07 only, there shall be eliminated from the definition of any such event as specified in Section 6.01 any reference to the written demand referred to in such definition or to the continuance, or the continuance in force, for any period of days of any default or failure on the part of the Company referred to in such definition.

SECTION 6.08. *Limitations on Suits by Holders of Trust Certificates.* No holder of any Trust Certificate shall have any right by virtue or by availing of any provision of this Agreement to institute any action or proceeding at law or in equity or in bankruptcy or otherwise, upon or under or with respect to this Agreement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless such holder previously shall have given to the Trustee written notice of default and of the continuance thereof, as hereinbefore provided, and unless also the holders of a majority in aggregate principal amount of the Trust Certificates then outstanding shall have made written request to the Trustee to institute such action or proceeding in its own name as trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action or proceeding and no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 6.10; it being understood and intended, and being expressly covenanted by the holder of every Trust Certificate with every other holder and the Trustee, that no one or more holders of Trust Certificates shall have any right in any manner whatever, by virtue or by availing of any provision of this Agreement, to affect, disturb, or prejudice the rights of any other holder of Trust Certificates, or to obtain or seek to obtain priority over or preference to any other such holder or to enforce any right under this Agreement, except in the manner herein provided and for the equal, ratable and common benefit of all holders of Trust Certificates. For the protection and enforcement of the provisions of this Section 6.08,

each and every holder of a Trust Certificate and the Trustee shall be entitled to such relief as can be given either at law or in equity.

SECTION 6.09. *Unconditional Right of Holders of Trust Certificates to Sue for Principal and Interest.* Notwithstanding any other provision in this Agreement, the right of any holder of any Trust Certificate to receive payment of the principal of, and interest on, such Trust Certificate, on or after the respective due dates expressed in such Trust Certificates, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder, except no such suit shall be instituted if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the title reserved under this Agreement upon any property subject hereto.

SECTION 6.10. *Control by Holders of Trust Certificates.* The holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; *provided, however,* that, subject to the provisions of Section 9.02, the Trustee shall have the right to decline to follow any such direction if the Trustee having been advised by counsel shall determine that the action so directed may not lawfully be taken or may be unjustly prejudicial to the holders of the Trust Certificates not taking part in such direction or would involve the Trustee in personal liability.

SECTION 6.11. *Right of Court to Require Filing of Undertaking to Pay Costs.* All parties to this Agreement agree, and each holder of any Trust Certificate by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Agreement, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 6.11 shall not apply to any suit instituted by the Trustee, to any suit instituted by any holder of a Trust Certificate, or group of holders of the Trust Certificates, holding in the aggregate more than 10%

in aggregate principal amount of the Trust Certificates outstanding, or to any suit instituted by any holder of a Trust Certificate for the enforcement of the payment of the principal of, or interest on, any Trust Certificate on or after the due date expressed in such Trust Certificate.

SECTION 6.12. *Remedies Cumulative.* The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity.

ARTICLE SEVEN

ADDITIONAL COVENANTS AND AGREEMENTS

BY THE COMPANY

SECTION 7.01. *Guaranty of Company.* The Company covenants, agrees and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and, if not so paid, with interest thereon until paid at the Overdue Rate, to the extent legally enforceable), and shall receive interest thereon in like money at the rate specified therein, at the times and places and otherwise as expressed in the Trust Certificates (and, if not so paid, with interest thereon until paid at the Overdue Rate, to the extent legally enforceable); and the Company further covenants and agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by the Trustee, its guaranty of the prompt payment of the principal thereof and of the interest thereon, in substantially the form hereinbefore set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Company by the manual or facsimile signature of its Chairman of the Board, President or a Vice President. In case any officer of the Company whose signature, whether facsimile or not, shall appear on said guaranty shall cease to be such officer before any Trust Certificate shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of any Trust Certificate, such guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed said guaranty had not ceased to be or had then been such officer.

SECTION 7.02. *Discharge of Liens.* The Company covenants and agrees that it will pay and discharge, or cause to be paid and discharged, when due or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien or charge upon or against any of the Trust Equipment, other than upon the leasehold interest of the Company therein; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, unless such contest will materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

SECTION 7.03. *Payment of Expenses; Recording.* The Company covenants and agrees to pay the expenses incident to the preparation and execution of the Trust Certificates to be issued hereunder, or connected with the preparation, execution, recording and filing hereof and of any instruments executed under the provisions hereof with respect to the Trust Equipment. The Company will, promptly after the execution and delivery of this Agreement and each supplement hereto, cause this Agreement and such supplement to be duly filed and recorded with the Interstate Commerce Commission in accordance with Section 11303 of the Interstate Commerce Act. The Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register and record any and all further instruments, including, without limitation, any statement of new numbers, and file, register and record this Agreement and each supplement hereto in all other jurisdictions, required by law or reasonably requested by the Trustee for the purposes of proper protection of the title of the Trustee and the rights of the holders of the Trust Certificates and of fully carrying out and effectuating this Agreement and the intent hereof; *provided, however*, that the Company shall not be required to take any such action in jurisdictions outside the United States of America if (1) the Company deems such action unduly burdensome, and (2) after giving effect to the failure to take such action, the Company has taken all action required by law so as to protect the title of the Trustee to units of Equipment having a fair value of not less than 90% of the aggregate fair value of all of the Trust Equipment (such fair value to be determined in the manner provided in subparagraph (i) of the fifth paragraph of Section 5.06).

Promptly after the execution and delivery of this Agreement and each supplement hereto, the Company will furnish to the Trustee an Opinion of Counsel stating that, in the opinion of such counsel, this Agreement or such supplement, as the case may be, has been properly recorded and filed so as effectively to protect the title of the Trustee to the Trust Equipment and its rights and the rights of the holders of the Trust Certificates thereunder and hereunder and reciting the details of such action or stating that in the opinion of such counsel no such action is necessary. The Company shall furnish to the Trustee, by April 1 in each year, commencing with the year 1980 an Opinion of Counsel stating either that, in the opinion of such counsel, (i) such action has been taken with respect to the recording, filing, rerecording and refiling of this Agreement and each supplement hereto as is necessary for the proper protection of the title of the Trustee to the Trust Equipment and the rights of the Trustee and holders of the Trust Certificates hereunder and thereunder and reciting the details of such action, or (ii) no such action is necessary for any of such purposes.

SECTION 7.04. *Further Assurances.* The Company covenants and agrees from time to time to do all such acts and execute all such instruments as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

ARTICLE EIGHT

LISTS OF HOLDERS OF THE TRUST CERTIFICATES AND

REPORTS BY THE COMPANY AND THE TRUSTEE

SECTION 8.01. *Company to Furnish Trustee Information as to Names and Addresses of Holders of the Trust Certificates.* The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee during the period March 15 to April 1, inclusive, and September 15 to October 1, inclusive, in each year, beginning with September, 1979, and at such other times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request, a list in such form as the Trustee may reasonably require containing all the information in the possession or control of the Company or any of its paying agents as to the names and addresses of the holders of Trust Certificates obtained since the date as of which the next previous list, if any, was furnished. Any such list may be dated as of a date

not more than 15 days prior to the time such information is furnished or caused to be furnished and need not include information received after such date; *provided, however*, that so long as the Trustee is the registrar of the Trust Certificates pursuant to Section 2.06, no such list need be furnished.

SECTION 8.02. *Preservation of Information; Communications to Holders of the Trust Certificates.* (a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of Trust Certificates (i) contained in the most recent list furnished to it as provided in Section 8.01, (ii) received by it in the capacity of paying agent (if so acting) hereunder and (iii) filed with it within the two preceding years pursuant to the provisions of Section 8.04(c)(ii).

The Trustee may (1) destroy any list furnished to it as provided in Section 8.01 upon receipt of a new list so furnished, (2) destroy any information received by it as paying agent (if so acting) hereunder upon delivering to itself as Trustee, not earlier than 45 days after an interest payment date on the Trust Certificates, a list containing the names and addresses of the holders of Trust Certificates obtained from such information since the delivery of the next previous list, if any, (3) destroy any list delivered to itself as Trustee which was compiled from information received by it as paying agent (if so acting) hereunder upon the receipt of a new list so delivered and (4) destroy any information filed with it pursuant to the provisions of Section 8.04(c)(ii) but not until two years after such information had been filed with it.

(b) In case three or more holders of Trust Certificates (hereinafter referred to as "applicants") apply in writing to the Trustee, and furnish to the Trustee reasonable proof that each such applicant has owned a Trust Certificate for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communicate with other holders of Trust Certificates with respect to their rights under this Agreement or under the Trust Certificates and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Trustee shall, within five business days after the receipt of such application, at its election, either

(1) afford such applicants access to the information preserved at the time by the Trustee in accordance with the provisions of Section 8.02(a), or

(2) inform such applicants as to the approximate number of holders of Trust Certificates whose names and addresses appear in the information preserved at the time by the Trustee in accordance with the provisions of Section 8.02(a) and as to the approximate cost of mailing to such holders of the Trust Certificates the form of proxy or other communication, if any, specified in such application.

If the Trustee shall elect not to afford such applicants access to such information, the Trustee shall, upon the written request of such applicants, mail to each holder of a Trust Certificate whose name and address appear in the information preserved at the time by the Trustee in accordance with the provisions of Section 8.02(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless within five days after such tender, the Trustee shall mail to such applicants, and file with the Commission together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Trustee, such mailing would be contrary to the best interests of the holders of Trust Certificates or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. If the Commission, after opportunity for a hearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if, after the entry of an order sustaining one or more of such objections, the Commission shall find, after notice and opportunity for hearing, that all the objections so sustained have been met and shall enter an order so declaring, the Trustee shall mail copies of such material to all such holders of the Trust Certificates with reasonable promptness after the entry of such order and the renewal of such tender; otherwise, the Trustee shall be relieved of any obligation or duty to such applicants respecting their application.

(c) Each and every holder of the Trust Certificates, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any paying agent shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the holders of the Trust Certificates in accordance with the provisions of Section 8.02(b), regardless of the source from which such

information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under Section 8.02(b).

SECTION 8.03. *Reports by the Company.* The Company covenants:

(a) to file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents, and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Company may be required to file with the Commission pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934, as amended; or, if the Company is not required to file information, documents, or reports pursuant to either of said sections, then to file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents, and reports which may be required pursuant to section 13 of the Securities Exchange Act of 1934, as amended, in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

SECTION 8.04. *Reports by the Trustee.* (a) On or before June 1, 1980, and on or before June 1 in every year thereafter, so long as any Trust

Certificate is outstanding hereunder, the Trustee and every co-trustee or separate trustee appointed pursuant to Section 9.14 shall transmit to the holders of the Trust Certificates, as hereinafter in this Section 8.04 provided, a brief report dated as of the preceding April 1 with respect to:

(i) its eligibility under Section 9.08 and its qualification under Section 9.07, or in lieu thereof, if to the best of its knowledge it has continued to be eligible and qualified under said Sections, a written statement to such effect;

(ii) the character and amount of any advances (and if the Trustee elects so to state, the circumstances surrounding the making thereof) made by the Trustee (as such) which remain unpaid on the date of such report, and for the reimbursement of which it claims or may claim a lien or charge, prior to that of the Trust Certificates, on the trust estate or on any property or funds held or collected by it as Trustee, except that the Trustee shall not be required (but may elect) to report such advances if such advances so remaining unpaid aggregate not more than $\frac{1}{2}$ of 1% of the principal amount of the Trust Certificates outstanding on the date of such report;

(iii) the amount, interest rate, and maturity date of all other indebtedness owing by the Company (or by any other obligor on the Trust Certificates) to the Trustee in its individual capacity, on the date of such report, with a brief description of any property held as collateral security therefor, except indebtedness based upon a creditor relationship arising in any manner described in Section 9.12(b)(ii), (iii), (iv), or (vi);

(iv) the property and funds, if any, physically in the possession of the Trustee as such on the date of such report;

(v) any release, assignment or transfer, or release, assignment or transfer and substitution, of any Trust Equipment (and the consideration therefor, if any) which it has not previously reported; *provided, however*, that to the extent that the aggregate value (as shown by the Engineer's Certificates furnished to the Trustee in respect thereof) of any or all of such released, assigned or transferred Trust Equipment does not exceed an amount equal to 1% of the principal amount of

Trust Certificates then outstanding, the report need only indicate the number of such releases, assignments or transfers, the total value of Trust Equipment released, assigned or transferred as shown by said Engineer's Certificates, the aggregate amount of cash received and the aggregate value of Trust Equipment received in substitution therefor as shown by said Engineer's Certificates;

(vi) any additional issue of Trust Certificates which it has not previously reported; and

(vii) any action taken by the Trustee in the performance of its duties under this Agreement which it has not previously reported and which in its opinion materially affects the Trust Certificates or the trust estate, except action in respect of a default, notice of which has been or is to be withheld by it in accordance with the provisions of Section 6.07.

(b) The Trustee and every co-trustee or separate trustee appointed pursuant to Section 9.14 shall transmit to the holders of the Trust Certificates, as provided in Section 8.04(c), a brief report with respect to (i) the release, assignment or transfer, or release, assignment or transfer and substitution, of any Trust Equipment (and the consideration therefor, if any) unless the fair value of such Trust Equipment (as set forth in the Engineer's Certificate furnished to the Trustee in respect thereof) is less than 10% of the principal amount of Trust Certificates outstanding at the time of such release, assignment or transfer, or such release, assignment or transfer and substitution, such report to be so transmitted within 90 days after such time, and (ii) the character and amount of any advances (and if the Trustee elects so to state, the circumstances surrounding the making thereof) made by the Trustee (as such) since the date of the last report transmitted pursuant to the provisions of Section 8.04(a) (or if no such report has yet been so transmitted, since the date of execution of this Agreement), for the reimbursement of which it claims or may claim a lien or charge, prior to that of the Trust Certificates, on the trust estate or on property or funds held or collected by it as Trustee, and which it has not previously reported pursuant to this Section 8.04(b), except that the Trustee shall not be required (but may elect) to report such advances if such advances remaining unpaid at any time aggregate 10% or less of the principal amount of Trust Certificates outstanding at such time, such report to be transmitted within 90 days after such time.

(c) Reports pursuant to this Section 8.04 shall be transmitted by mail:

(i) to all registered holders of Trust Certificates, as the names and addresses of such holders appear upon the registration books of the Trustee;

(d) A copy of each such report shall, at the time of such transmission to holders of the Trust Certificates, be filed by the Trustee with each stock exchange, if any, upon which the Trust Certificates are listed and also with the Commission. The Company agrees to notify the Trustee when and as the Trust Certificates become listed on any stock exchange.

ARTICLE NINE

THE TRUSTEE

SECTION 9.01. *Acceptance of Trusts.* The Trustee hereby accepts the trust imposed upon it by this Agreement and covenants and agrees to perform the same as herein expressed.

SECTION 9.02. *Duties and Responsibilities of the Trustee; During Default; Prior to Default.* In case an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own wilful misconduct, except that

(a) prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred:

(i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agreement, and the

Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Trustee; and

(ii) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement;

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement.

(d) no provision of this Agreement shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there shall be reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The provisions of this Section 9.02, which have been made specifically applicable to the Trustee, shall also apply to any co-trustee or separate trustee appointed pursuant to Section 9.14.

SECTION 9.03. *Certain Rights of the Trustee.* Except as otherwise provided in Section 9.02:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, trust certificate, guaranty or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) the Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with such Opinion of Counsel;

(c) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Agreement, unless such holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred therein or thereby; and

(d) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

The provisions of this Section, which have been made specifically applicable to the Trustee, shall also apply to any co-trustee or separate trustee appointed pursuant to Section 9.14.

SECTION 9.04. *Application of Rentals; Responsibility of Trustee to Insure or Record.* The Trustee covenants and agrees to apply the rentals received by it under Section 5.04(B) when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in said Section 5.04(B).

Except as otherwise provided in Section 9.02, the Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified by the Company or by one or more of the holders of the Trust Certificates against all liability and expenses; and, except as aforesaid, the Trustee shall not be responsible for the filing or recording or refiling or rerecording of this Agreement or of any supplement hereto or statement of new numbers.

The provisions of this Section, which have been made specifically applicable to the Trustee, shall also apply to any co-trustee or separate trustee appointed pursuant to Section 9.14.

SECTION 9.05. *Funds May be Held by Trustee; Investments in Investment Securities.* Any money at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself, and, if and to the extent permitted by applicable law or regulations of governmental authorities having jurisdiction over the Trustee, the Trustee will allow interest upon any such moneys held by it in trust at the rate generally prevailing among New York banks and trust companies or allowed by it upon deposits of a similar character.

At any time, and from time to time, if at the time no Event of Default shall have occurred and be continuing, the Trustee, on Request, shall invest and reinvest Deposited Cash held by it or cash deposited with it pursuant to Section 5.06 or Section 5.08 (hereinafter in this Section 9.05 called Replacement Funds) in such Investment Securities and at such prices, including any premium and accrued interest, as are set forth in such Request, such Investment Securities to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates.

The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against delivery of Trust Equipment, sell such Investment Securities, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investment Securities, including accrued interest.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, out of rent received by it for that purpose under the provisions of Section 5.04(B)(1), an amount equal to any expenses incurred in connection with any purchase or sale of Investment Securities and also an amount equal to any loss of principal incident to the sale or redemption of any Investment Securities for a sum less than the amount paid therefor, including accrued interest.

The Company, if not to the knowledge of the Trustee in default under the terms hereof, shall be entitled to receive any interest allowed as provided in the first paragraph of this Section 9.05 and any interest (in excess of

accrued interest paid from Deposited Cash at the time of purchase) or other profit which may be realized from any sale or redemption of Investment Securities.

SECTION 9.06. Trustee Not Liable for Delivery Delays or Defects in Equipment or Title; May Perform Duties By Agents; Reimbursement of Expenses; Holding of Trust Certificates; Moneys Held in Trust. Except as otherwise provided in Section 9.02, the Trustee shall neither be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers or owners thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value thereof or in respect of the title thereto.

Except as otherwise provided in Section 9.02, the Trustee may perform its powers and duties hereunder by or through such attorneys, agents and servants as it shall appoint, and shall be answerable for only its own acts, negligence and wilful defaults and not for the default or misconduct of any attorney, agent or servant appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution or validity of this Agreement, or any agreement supplemental hereto or of the Trust Certificates (except for its own execution thereof) or of the guaranty by the Company in respect of the Trust Certificates.

The Trustee shall be entitled to receive payment of all of its expenses and disbursements hereunder, including reasonable counsel fees, and to receive reasonable compensation for all services rendered by it in the execution of the trust hereby created, all of which shall be paid by the Company, or, in default of such payment, out of the rentals or proceeds or avails of the Trust Equipment.

The Trustee in its individual capacity may own, hold and dispose of Trust Certificates with the same rights which it would have if it were not Trustee.

Any moneys at any time held by the Trustee or any paying agent hereunder shall, until paid out or invested by the Trustee or any paying agency as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

The provisions of this Section, which have been made specifically applicable to the Trustee, shall also apply to any co-trustee or separate trustee appointed pursuant to Section 9.14.

SECTION 9.07. *Qualification of Trustee; Conflicting Interests.* (a) If the Trustee has or shall acquire any conflicting interest, as defined in this Section 9.07, it shall, within 90 days after ascertaining that it has such conflicting interest, either eliminate such conflicting interest or resign in the manner and with the effect specified in Section 9.09.

(b) In the event that the Trustee shall fail to comply with the provisions of Section 9.07(a) the Trustee shall, within 10 days after the expiration of such 90-day period, transmit notice of such failure to the holders of the Trust Certificates in the manner and to the extent provided in Section 8.04(c) with respect to reports pursuant to Section 8.04(a).

(c) For the purposes of this Section 9.07 the Trustee shall be deemed to have a conflicting interest if

(i) the Trustee is trustee under another indenture under which any other securities, or certificates of interest or participation in any other securities of the Company are outstanding, unless such other indenture is a collateral trust indenture under which the only collateral consists of Trust Certificates issued under this Agreement, provided that there shall be excluded from the operation of this paragraph any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Company are outstanding, if the Company shall have sustained the burden of proving, on application to the Commission and after opportunity for hearing thereon, that trusteeship under this Agreement and such other indenture or indentures is not so likely to involve a material conflict of interest as to make it necessary in the public interest or for the protection of investors to disqualify the Trustee from acting as such under one of such indentures;

(ii) the Trustee or any of its directors or executive officers is an obligor upon the Trust Certificates or an underwriter for the Company;

(iii) the Trustee directly or indirectly controls or is directly or indirectly controlled by or is under direct or indirect common control with the Company or any underwriter for the Company;

(iv) the Trustee of any of its directors or executive officers is a director, officer, partner, employee, appointee, or representative of the Company, or of an underwriter (other than the Trustee itself) for the Company who is currently engaged in the business of underwriting, except that (a) one individual may be a director or an executive officer, or both, of the Trustee and a director or an executive officer, or both, of the Company, but may not be at the same time an executive officer of both the Trustee and the Company, (b) if and so long as the number of directors of the Trustee in office is more than nine, one additional individual may be a director or an executive officer, or both, of the Trustee and a director of the Company and (c) the Trustee may be designated by the Company or by any underwriter for the Company to act in the capacity of transfer agent, registrar, custodian, paying agent, fiscal agent, escrow agent, or depository, or in any other similar capacity, or, subject to the provisions of clause (i) of this Section 9.07(c), to act as trustee, whether under an indenture or otherwise;

(v) 10% or more of the voting securities of the Trustee is beneficially owned either by the Company or by any director, partner, or executive officer thereof, or 20% or more of such voting securities is beneficially owned, collectively, by any two or more of such persons; or 10% or more of the voting securities of the Trustee is beneficially owned either by an underwriter for the Company or by any director, partner, or executive officer thereof, or is beneficially owned, collectively, by any two or more such persons;

(vi) the Trustee is the beneficial owner of, or holds as collateral security for an obligation which is in default, (a) 5% or more of the voting securities, or 10% or more of any other class of security, of the Company, not including the Trust Certificates and securities issued under any other indenture under which the Trustee is also trustee or (b) 10% or more of any class of security of an underwriter for the Company;

(vii) the Trustee is the beneficial owner of, or holds as collateral security for an obligation which is in default, 5% or more of the voting securities of any person who, to the knowledge of the Trustee, owns 10% or more of the voting securities of, or controls directly or indirectly or is under direct or indirect common control with the Company;

(viii) the Trustee is the beneficial owner of, or holds as collateral security for an obligation which is in default, 10% or more of any class of security of any person who, to the knowledge of the Trustee, owns 50% or more of the voting securities of the Company; or

(ix) the Trustee owns, on May 15th in any calendar year, in the capacity of executor, administrator, testamentary or *inter vivos* trustee, guardian, committee or conservator, or in any other similar capacity, an aggregate of 25% or more of the voting securities, or of any class of security, of any person, the beneficial ownership of a specified percentage of which would have constituted a conflicting interest under Section 9.07(c)(vi), (vii) or (viii). As to any such securities of which the Trustee acquired ownership through becoming executor, administrator, or testamentary trustee of an estate which included them, the provisions of the preceding sentence shall not apply, for a period of two years from the date of such acquisition, to the extent that such securities included in such estate do not exceed 25% of such voting securities or 25% of any such class of security. Promptly after May 15th in each calendar year, the Trustee shall make a check of its holdings of such securities in any of the above-mentioned capacities as of such May 15th. If the Company fails to make payment in full of the rentals payable hereunder in respect of the principal of, or interest, on, any of the Trust Certificates when and as the same become due and payable, and such failure continues for 30 days thereafter, the Trustee shall make a prompt check of its holdings of such securities in any of the above-mentioned capacities as of the date of the expiration of such 30-day period, and after such date, notwithstanding the foregoing provisions of this paragraph, all such securities so held by the Trustee, with sole or joint control over such securities vested in it, shall, but only so long as such failure shall continue, be considered as though beneficially owned by the Trustee for the purposes of Section 9.07(c)(vi), (vii) and (viii).

The specification of percentages in Section 9.07(c) (v) to (ix), inclusive, shall not be construed as indicating that the ownership of such percentages of the securities of a person is or is not necessary or sufficient to constitute direct or indirect control for the purposes of Section 9.07(c)(iii) or (vii).

For the purposes of Section 9.07(c) (vi), (vii), (viii) and (ix) only, (a) the terms "security" and "securities" shall include only such securities as

are generally known as corporate securities, but shall not include any note or other evidence of indebtedness issued to evidence an obligation to repay moneys lent to a person by one or more banks, trust companies or banking firms, or any certificate of interest or participation in any such note or evidence of indebtedness; (b) an obligation shall be deemed to be in default when a default in payment of principal shall have continued for 30 days or more and shall not have been cured; and (c) the Trustee shall not be deemed to be the owner or holder of (i) any security which it holds as collateral security, as trustee or otherwise, for an obligation which is not in default as defined in clause (b) above, or (ii) any security which it holds as collateral security under this Agreement, irrespective of any default hereunder, or (iii) any security which it holds as agent for collection, or as custodian, escrow agent, or depository, or in any similar representative capacity.

Except as provided above, the word "security" or "securities" as used in this Agreement shall mean any equipment trust certificate, note, stock, treasury stock, bond, debenture, evidence of indebtedness, certificate of interest or participation in any profit-sharing agreement, collateral-trust certificate, pre-organization certificate or subscription, transferable share, investment contract, voting-trust certificate, certificate of deposit for a security, fractional undivided interest in oil, gas, or other mineral rights, or, in general, any interest or instrument commonly known as a "security," or any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase, any of the foregoing.

(d) for the purposes of this Section 9.07:

(i) The term "underwriter" when used with reference to the Company shall mean every person who, within three years prior to the time as of which the determination is made, has purchased from the Company with a view to, or has offered or sold for the Company in connection with, the distribution of any security of the Company outstanding at such time, or has participated or has had a direct or indirect participation in any such undertaking, or has participated or has had a participation in the direct or indirect underwriting of any such undertaking, but such term shall not include a person whose interest was limited to a commission from an underwriter or dealer not in excess of the usual and customary distributors' or sellers' commission.

(ii) The term "director" shall mean any director of a corporation, or any individual performing similar functions with respect to any organization whether incorporated or unincorporated.

(iii) The term "person" shall mean an individual, a corporation, a partnership, an association, a joint-stock company, a trust, an unincorporated organization, or a government or political subdivision thereof. As used in this paragraph (iii), the term "trust" shall include only a trust where the interest or interests of the beneficiary or beneficiaries are evidenced by a security.

(iv) The term "voting security" shall mean any security presently entitling the owner or holder thereof to vote in the direction or management of the affairs of a person, or any security issued under or pursuant to any trust, agreement or arrangement whereby a trustee or trustees or agent or agents for the owner or holder of such security are presently entitled to vote in the direction or management of the affairs of a person.

(v) The term "Company" shall mean any obligor upon the Trust Certificates.

(vi) The term "executive officer" shall mean the president, every vice-president, every trust officer, the cashier, the secretary, and the treasurer of a corporation, and any individual customarily performing similar functions with respect to any organization whether incorporated or unincorporated, but shall not include the chairman of the board of directors.

The percentages of voting securities and other securities specified in this Section 9.07 shall be calculated in accordance with the following provisions:

(A) A specified percentage of the voting securities of the Trustee, the Company or any other person referred to in this Section 9.07 (each of whom is referred to as a "person" in this paragraph) means such amount of the outstanding voting securities of such person as entitles the holder or holders thereof to cast such specified percentage of the aggregate votes which the holders of all the outstanding voting securities of such person are entitled to cast in the direction or management of the affairs of such person.

(B) A specified percentage of a class of securities of a person means such percentage of the aggregate amount of securities of the class outstanding.

(C) The term "amount", when used in regard to securities, means the principal amount if relating to evidences of indebtedness, the number of shares if relating to capital shares, and the number of units if relating to any other kind of security.

(D) The term "outstanding" means issued and not held by or for the account of the issuer. The following securities shall not be deemed outstanding within the meaning of this definition:

(i) securities of an issuer held in a sinking fund relating to securities of the issuer of the same class;

(ii) securities of an issuer held in a sinking fund relating to another class of securities of the issuer, if the obligation evidenced by such other class of securities is not in default as to principal or interest or otherwise;

(iii) securities pledged by the issuer thereof as security for an obligation of the issuer not in default as to principal or interest or otherwise; and

(iv) securities held in escrow if placed in escrow by the issuer thereof; *provided, however*, that any voting securities of an issuer shall be deemed outstanding if any person other than the issuer is entitled to exercise the voting rights thereof.

(E) A security shall be deemed to be of the same class as another security if both securities confer upon the holder or holders thereof substantially the same rights and privileges; *provided, however*, that, in the case of secured evidences of indebtedness, all of which are issued under a single indenture, differences in the interest rates or maturity dates of various series thereof shall not be deemed sufficient to constitute such series different classes; and *provided, further*, that, in the case of unsecured evidences of indebtedness, differences in the interest rates or maturity dates thereof shall not be deemed sufficient to

constitute them securities of different classes, whether or not they are issued under a single indenture.

The provisions of this Section 9.07, which have been made specifically applicable to the Trustee, shall also apply to any co-trustee or separate trustee appointed pursuant to Section 9.14.

SECTION 9.08. *Persons Eligible for Appointment as Trustee.* There shall at all times be a Trustee hereunder, which (other than a co-trustee or separate trustee appointed pursuant to Section 9.14) shall be a corporation organized and doing business under the laws of the United States of America, or of the State of New York, having a combined capital and surplus of at least \$10,000,000, and which is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by federal or state authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 9.08 the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 9.08, the Trustee shall resign immediately in the manner and with the effect specified in Section 9.09.

SECTION 9.09. *Resignation and Removal; Appointment of Successor Trustee.* (a) The Trustee may at any time resign by giving written notice of resignation to the Company. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors of the Company, one copy of which instrument shall be delivered to the Trustee so resigning and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning trustee may petition any court of competent jurisdiction for the appointment of a successor trustee, or any holder of a Trust Certificate who has been a bona fide holder of a Trust Certificate or Trust Certificates for at least six months may, subject to the provisions of Section 6.11, on behalf of himself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall fail to comply with the provisions of Section 9.07(a) after written request therefor by the Company or by any holder of a Trust Certificate who has been a bona fide holder of a Trust Certificate or Trust Certificates for at least six months, or

(ii) the Trustee shall cease to be eligible in accordance with the provisions of Section 9.08 and shall fail to resign after written request therefor by the Company or by any such holder of a Trust Certificate, or

(iii) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, the Company may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of its Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.11, any holder of a Trust Certificate who has been a bona fide holder of a Trust Certificate or Trust Certificates for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding may at any time remove the Trustee and appoint a successor trustee by delivering to the Trustee to be removed, to the successor trustee so appointed and to the Company the evidence provided for in Section 10.01 of the action taken by the holders of the Trust Certificates.

(d) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 9.09 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 9.10.

(e) The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor trustee by mailing written notice of such event by first class mail, postage prepaid, to the holders of Trust Certificates at their last addresses appearing on the registry books. Each such notice shall include the name of the successor trustee and the address of its principal corporate trust office. If the Company shall fail to give such notice within ten days after acceptance of appointment by the successor trustee, the successor trustee shall give such notice.

The provisions of this Section 9.09, which have been made specifically applicable to the Trustee, shall also apply to any co-trustee or separate trustee appointed pursuant to Section 9.14.

SECTION 9.10. *Acceptance of Appointment by Successor Trustee.* Any successor trustee appointed as provided in Section 9.09 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, upon payment of its charges then unpaid, the trustee ceasing to act shall execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 9.06.

No successor trustee shall accept appointment as provided in this Section 9.10 unless at the time of such acceptance such successor trustee shall be qualified under the provisions of Section 9.07 and eligible under the provisions of Section 9.08.

SECTION 9.11. *Merger or Consolidation of Trustee.* Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or conversion or

consolidation to which the Trustee shall be a party, or any corporation succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be qualified under the provisions of Section 9.07 and eligible under the provisions of Section 9.08, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 9.12. *Preferential Collection of Claims Against the Company.*

(a) Subject to the provisions of Section 9.12(b), if the Trustee shall be or shall become a creditor, directly or indirectly, secured or unsecured, of the Company within four months prior to a default, as defined in Section 9.12(c), or subsequent to such a default, then, unless and until such default shall be cured, the Trustee shall set apart and hold in a special account for the benefit of the Trustee individually, the holders of the Trust Certificates and the holders of other indenture securities (as defined in Section 9.12(c)):

(i) an amount equal to any and all reductions in the amount due and owing upon any claim as such creditor in respect of principal or interest, effected after the beginning of such four-months' period and valid as against the Company and its other creditors, except any such reduction resulting from the receipt or disposition of any property described in Section 9.12(a)(ii), or from the exercise of any right of setoff which the Trustee could have exercised if a petition in bankruptcy had been filed by or against the Company upon the date of such default; and

(ii) all property received by the Trustee in respect of any claim as such creditor, either as security therefor, or in satisfaction or composition thereof, or otherwise, after the beginning of such four-months' period, or an amount equal to the proceeds of any such property, if disposed of, *subject, however*, to the rights, if any, of the Company and its other creditors in such property or such proceeds.

Nothing herein contained, however, shall affect the right of the Trustee

(A) to retain for its own account (i) payments made on account of any such claim by any person (other than the Company) who is liable thereon, and (ii) the proceeds of the *bona fide* sale of any such claim by the Trustee to a third person, and (iii) distributions made in cash, securities, or other property in respect of claims filed against the

Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Bankruptcy Act or applicable state law;

(B) to realize, for its own account, upon any property held by it as security for any such claim, if such property was so held prior to the beginning of such four-months' period;

(C) to realize, for its own account, but only to the extent of the claim hereinafter mentioned, upon any property held by it as security for any such claim, if such claim was created after the beginning of such four-months' period and such property was received as security therefor simultaneously with the creation thereof, and if the Trustee shall sustain the burden of proving that at the time such property was so received the Trustee had no reasonable cause to believe that a default as defined in Section 9.12(c) would occur within four months; or

(D) to receive payment on any claim referred to in paragraph (B) or (C), against the release of any property held as security for such claim as provided in paragraph (B) or (C), as the case may be, to the extent of the fair value of such property.

For the purposes of paragraphs (B), (C) and (D), property substituted after the beginning of such four-months' period for property held as security at the time of such substitution shall, to the extent of the fair value of the property released, have the same status as the property released, and, to the extent that any claim referred to in any of such paragraphs is created in renewal of or in substitution for or for the purpose of repaying or refunding any pre-existing claim of the Trustee as such creditor, such claim shall have the same status as such pre-existing claim.

If the Trustee shall be required to account, the funds and property held in such special account and the proceeds thereof shall be apportioned between the Trustee, the holders of the Trust Certificates and the holders of other indenture securities in such manner that the Trustee, the holders of the Trust Certificates and the holders of other indenture securities realize, as a result of payments from such special account and payments of dividends on claims filed against the Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Bankruptcy Act or applicable state law, the same percentage of their respective claims, figured before crediting to the claim of the Trustee anything on account of the receipt by it

from the Company of the funds and property in such special account and before crediting to the respective claims of the Trustee, the holders of the Trust Certificates and the holders of other indenture securities dividends on claims filed against the Company in bankruptcy or receivership or in proceedings for reorganization pursuant to the Bankruptcy Act or applicable state law, but after crediting thereon receipts on account of the indebtedness represented by their respective claims from all sources other than from such dividends and from the funds and property so held in such special account. As used in this paragraph, with respect to any claim, the term "dividends" shall include any distribution with respect to such claim, in bankruptcy or receivership or in proceedings for reorganization pursuant to the Bankruptcy Act or applicable state law, whether such distribution is made in cash, securities, or other property, but shall not include any such distribution with respect to the secured portion, if any, of such claim. The court in which such bankruptcy, receivership, or proceedings for reorganization is pending shall have jurisdiction (i) to apportion between the Trustee, the holders of the Trust Certificates and the holders of other indenture securities, in accordance with the provisions of this paragraph, the funds and property held in such special account and the proceeds thereof, or (ii) in lieu of such apportionment, in whole or in part, to give to the provisions of this paragraph due consideration in determining the fairness of the distributions to be made to the Trustee, the holders of the Trust Certificates and the holders of other indenture securities with respect to their respective claims, in which event it shall not be necessary to liquidate or to appraise the value of any securities or other property held in such special account or as security for any such claim, or to make a specific allocation of such distributions as between the secured and unsecured portions of such claims, or otherwise to apply the provisions of this paragraph as a mathematical formula.

Any Trustee who has resigned or been removed after the beginning of such four-months' period shall be subject to the provisions of this subsection (a) as though such resignation or removal had not occurred. If any Trustee has resigned or been removed prior to the beginning of such four-months' period, it shall be subject to the provisions of this subsection (a) if and only if the following conditions exist:

- (i) the receipt of property or reduction of claim, which would have given rise to the obligation to account, if such Trustee had continued as trustee, occurred after the beginning of such four-months' period; and

(ii) such receipt of property or reduction of claim occurred within four months after such resignation or removal.

(b) There shall be excluded from the operation of Section 9.12(a) a creditor relationship arising from:

(i) the ownership or acquisition of securities issued under any indenture, or any security or securities having a maturity of one year or more at the time of acquisition by the Trustee;

(ii) advances authorized by a receivership or bankruptcy court of competent jurisdiction, or by this Agreement, for the purpose of preserving any property which shall at any time be subject to this Agreement or of discharging tax liens or other prior liens or encumbrances thereon, if notice of such advance and of the circumstances surrounding the making thereof is given to the holders of the Trust Certificates at the time and in the manner provided in this Agreement;

(iii) disbursements made in the ordinary course of business in the capacity of trustee under an indenture, transfer agent, conversion agent, registrar, custodian, paying agent, fiscal agent or depositary, or other similar capacity;

(iv) an indebtedness created as a result of services rendered or premises rented; or an indebtedness created as a result of goods or securities sold in a cash transaction as defined in Section 9.12(c);

(v) the ownership of stock or of other securities of a corporation organized under the provisions of Section 25(a) of the Federal Reserve Act, as amended, which is directly or indirectly a creditor of the Company; or

(vi) the acquisition, ownership, acceptance or negotiation of any drafts, bills of exchange, acceptances, or obligations which fall within the classification of self-liquidating paper as defined in Section 9.12(c).

(c) As used in this Section 9.12:

(i) The term "default" shall mean any failure to make payment in full of the principal of or interest on any of the Trust Certificates or upon the other indenture securities when and as such principal or interest becomes due and payable.

other obligor on the Trust Certificates) in trust for the benefit of the holders of the Trust Certificates and will notify the Trustee of the receipt of sums to be so held,

(b) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Trust Certificates) to make any payment of the principal of, or interest on, the Trust Certificates when the same shall be due and payable, and

(c) if the Company shall act as paying agent for the Trustee, it will, on or before each due date of the principal of, or interest on, the Trust Certificates, set aside, segregate and hold in trust for the benefit of the holders of the Trust Certificates a sum sufficient to pay such principal or interest so becoming due. The Company will promptly notify the Trustee of any failure to take such action.

SECTION 9.14. *Appointment of Co-Trustee or Separate Trustee.* If at any time or times it shall be necessary or prudent in order to conform to any law of any jurisdiction in which the Trust Equipment or any thereof is located, or the Trustee shall be advised by counsel, satisfactory to it, that it is so necessary or prudent in the interest of the holders of the Trust Certificates, the Trustee and the Company shall execute and deliver all instruments and agreements necessary or proper to constitute another bank or trust company or one or more persons approved by the Trustee and the Company, either to act as co-trustee or co-trustees, jointly with the Trustee, or to act as separate trustee or trustees hereunder. In the event the Company shall have not joined in the execution of such instruments and agreements within ten days after the receipt of a written request from the Trustee so to do, or in case an Event of Default shall happen and be continuing, the Trustee may act under the foregoing provisions of this Section 9.14 without the concurrence of the Company; and the Company hereby appoints the Trustee its agent and attorney to act for it under the foregoing provisions of this Section 9.14 in either of such contingencies.

Every additional trustee hereunder shall, to the extent permitted by law, be appointed and act and be such and the Trustee and its successors shall act and be such, subject to the following provisions and conditions, namely:

(1) the Trust Certificates shall be executed and delivered, and all powers, duties, obligations and rights conferred upon the Trustee in

(ii) The term "other indenture securities" shall mean securities upon which the Company is an obligor (as defined in the Trust Indenture Act of 1939) outstanding under any other indenture (i) under which the Trustee is also trustee, (ii) which contains provisions substantially similar to the provisions of this Section 9.12, and (iii) under which a default exists at the time of the apportionment of the funds and property held in such special account.

(iii) The term "cash transaction" shall mean any transaction in which full payment for goods or securities sold is made within seven days after delivery of the goods or securities in currency or in checks or other orders drawn upon banks or bankers and payable upon demand.

(iv) The term "self-liquidating paper" shall mean any draft, bill of exchange, acceptance or obligation which is made, drawn, negotiated or incurred by the Company for the purpose of financing the purchase, processing, manufacturing, shipment, storage or sale of goods, wares or merchandise and which is secured by documents evidencing title to, possession of, or a lien upon, the goods, wares or merchandise or the receivables or proceeds arising from the sale of the goods, wares or merchandise previously constituting the security, provided the security is received by the Trustee simultaneously with the creation of the creditor relationship with the Company arising from the making, drawing, negotiating or incurring of the draft, bill of exchange, acceptance or obligation.

(v) The term "Company" shall mean any obligor upon the Trust Certificates.

The provisions of this Section 9.12, which have been made specifically applicable to the Trustee, shall also apply to any co-trustee or separate trustee appointed pursuant to Section 9.14.

SECTION 9.13. *Paying Agents.* Whenever the Trustee shall appoint a paying agent other than the Company, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 9.13,

(5) the Company and the Trustee, at any time, by an instrument in writing, executed by them jointly, may remove any such additional trustee, and in that case, by an instrument in writing executed by them jointly, may appoint a successor or successors to such additional trustee or trustees, as the case may be, anything herein contained to the contrary notwithstanding. In the event that the Company shall not have joined in the execution of any such instrument within ten days after the receipt of a written request from the Trustee so to do, the Trustee shall have the power to remove any such additional trustee and to appoint a successor additional trustee without the concurrence of the Company; the Company hereby appointing the Trustee its agent and attorney to act for it in such connection in such contingency. The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction within the United States of America authorized to take acknowledgments of deeds to be recorded in such jurisdiction that the person executing such instrument acknowledged to him the execution thereof, or by

an affidavit of a witness of such execution sworn to before any such notary or other such officer or a guarantee of the signature of such person by a member of the New York Stock Exchange, or in any other manner the Trustee shall deem sufficient. Where such execution is on behalf of a corporation, partnership or other legal entity, such a certificate or affidavit shall also constitute sufficient proof of the authority of the signer.

The ownership of Trust Certificates may be proved by the register of such Trust Certificates or by a certificate of the registrar thereof.

The Trustee may require such additional proof of any matter referred to in this Section 10.02 as it shall deem necessary.

The record of any meeting of holders of Trust Certificates shall be proved in the manner provided in Section 11.06.

A record in duplicate of the proceedings of each meeting of holders of Trust Certificates shall be prepared by the secretary of the meeting, and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts, setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 11.02. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting, and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

(2) modify any of the provisions of the guaranty of the Company in respect of any Trust Certificates; or

(3) create any security interest with respect to the Trust Equipment ranking prior to, or on a parity with, the security interest created by this Agreement or deprive any holder of the benefit of the security interest created by this Agreement in all or any part of the Trust Equipment, Deposited Cash or Replacement Funds (as such term is defined in Section 9.05) for the security of his Trust Certificate; or

(4) reduce the percentage in principal amount of the outstanding Trust Certificates, the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders is required for any waiver of compliance with certain provisions of this Agreement or of certain defaults hereunder and their consequences provided for in this Agreement; or

If the Trustee shall so determine, new Trust Certificates so modified to conform, in the opinion of the Trustee and the Board of Directors of the Company, to any modification of this Agreement contained in any such supplemental agreement, or any action taken at any such meeting, may be prepared by the Trustee and executed by the Trustee, and the Company shall place its guaranty thereon and such new Trust Certificates may be delivered in exchange for the Trust Certificates then outstanding, without cost to the holders thereof, upon surrender of such Trust Certificates.

SECTION 12.05. *Opinion of Counsel and Officers' Certificate.* An Opinion of Counsel and an Officers' Certificate shall be delivered to the Trustee upon the execution of any supplemental agreement pursuant to this Article Twelve to the effect that such supplemental agreement constitutes a valid and binding obligation of the Company in accordance with its terms (subject to applicable bankruptcy and insolvency laws), and is authorized and permitted by the terms of this Agreement and is not inconsistent herewith.
